CODIFICATION GUIDE

The following numerical guide is a list of the titles and sections of the Code of Federal Regulations affected by documents published in the *Federal Register* during the period January 1–December 31, 1963. Page numbers of documents affecting CFR sections but not specifically amending the text thereof appear in brackets.

Beginning with January 1964, a Cumulative Codification Guide will be published monthly. The new Guide will list titles, parts, and sections, and will indicate the nature of changes effected by Federal Register documents published since January 1, 1964.

Daily Guides listing parts affected are carried following the Contents of each issue of the *Federal Register*, and within-the-month cumulations appear at the end of each issue.
